Hi Bill,

Happy to hear that you found information containing Carrie's parents. Right now it doesn't appear that your Goodman line connects to mine but here is some information which may help.

Generation 2 (con't)

There is a marriage in Bonneville, Cooper County MO for James H. GOODMAN married Lebbie J. KRILOW on April 09, 1884. [Source LDS film 0902784]

Note: I wonder if the last name of bride is incorrect and could be KULOW, which was a more common name in Cooper County. Sure looks like this may be your couple.

Since you gave me James H. Goodman's birth date and birth place, I took a look at the 1860 census of Johnson County, Indiana - Franklin Twp and found two Goodman families in Franklin Twp - a William Goodman with a son James born about 1856-7 and a Henry Goodman who appears to be brother of William.

1860 Census Johnson County, Indiana, Franklin Twp page 749
607-627

William GOODMAN age 27 Farmer \$0-\$200 born in IN
Nancy age 25 born in IN
James age 3 IN [** I suspect this is your James]
John age 2 IN
Lora B. age 3 months IN

1860 Census Johnson Co, IN - Franklin Twp - page 705
Henry GOODMAN 32 Day Laborer \$450-\$100 TN
Mary E. 26 IN
John O. 5 IN
Cyrena B. 2 IN

Looking back to the 1850 census in the same town ,we have only the same two Goodman's shown and they are living with what appears to be their step-father and mother.

1850 Census Johnson County, IN - Franklin Twp - enumerated August 29, 1850 -

Henry ROBERTS 65 Farmer born in KY
Mary ROBERTS 45 NC
Henry GOODMAN 21 Farmer TN
William GOODMAN 16 Farmer IN
Preston H. ROBERTS 6 IN
Benjamin ROBERTS 12 IN

Marriage records show a Mary GOODMAN married Henry ROBERTS on Dec 29, 1842 in Johnson County, Indiana. I would guess from the census above that this was a second marriage for both Mary and Henry Roberts.

Hope this helps.
